Ingredients that are banned or limited by IFRA

Section 2.1 lists ingredients that are banned by IFRA either because they are banned outright or because they contain constituent substances (components of natural complex material or impurities in synthetic fragrance material) that exceed purity limits set by IFRA.

Section 2.2 lists ingredients or substance that are restricted by IFRA. In cases where section 2.1 ingredients and substances that are subject only to quantitative limits as these may determine the limits of compliance once the banned ingredient has been removed.

NAME	CAS#	Quantity in fragrance ingredient
Anisic Aldehyde	123-11-5	0.3000%
